When investing in an Investors Pool, **please do not withdraw all your money before notifying BFX Traderz**. By withdrawing all your money, you might affect others investors because the EA is running on a specific minimum amount of investment. We recommend that you withdraw your profit every month and if you want to leave the Investors Pool, BFX Traderz will replace your investment by another one.

You can Op-Out from the Investors Pool by selecting the EA Algo in the Investors Pool Account menu that you have subscribed to.

Thank you for your understanding.
