Total	\$ 25,000.00	100.00%	\$ 250.00		\$ 875.00		\$ 1,750.00				

**NOTE:**

As you can see, the ROI will be the same for all investors after the profit split with BFX Traderz.

It's just an example of how it will work and you will still do the same ROI like others investors based on your invested capital.
